

# Rebates for Your Home

These offers are available as of May 1, 2024 and are subject to change. Visit [efficiencyvermont.com/rebates](https://efficiencyvermont.com/rebates) for the most up-to-date information.

## Air Sealing and Insulation

### Working with an EEN contractor (best value):

75% off eligible project costs, up to \$4,000. Moderate income Vermonters get 75% off, up to \$9,500, while funding lasts.

Federal Tax Credit: 30% of cost

**DIY: \$100 back** for completing eligible projects, like weatherizing windows and doors, adding storm windows, and sealing air leaks in your attic and basement.

## Need help paying for improvements?

Financing options start at 0% interest with no money down. Or pay for a weatherization project monthly on your utility bill (for participating electric and gas utilities).
