Mail-in Rebate

2010 Swimming Pool Pump Rebate Application

Efficiency Vermont offers a rebate on the purchase and installation of a qualifying two-speed or variable-speed swimming pool pump. To be eligible, installations must include a qualifying controller. Customer may either use an existing qualifying controller or purchase and install a separate qualifying controller unit, if the new two-speed or variable speed pump does not have a built-in qualifying controller. The list of qualifying swimming pool pump models and controllers can be found at www.encyvermont.com/poolpumps or by calling 888-921-5990.

Application Instructions

Please fill out this form completely. Incomplete information will delay or disqualify your rebate. All rebate requests must be postmarked no later than October 31, 2010. Please do not include rebate form with your utility bill payment.

To receive your rebate:

5. Eligibility/Terms and Conditions

Valid for eligible swimming pool pumps installed between April 1, 2010 and September 30, 2010 and rebate forms must be postmarked by October 31, 2010. Limit: One pool pump rebate per Vermont residential electric account per calendar year. Eligible pumps include the two-speed and variable-speed models listed on www.encyvermont.com/poolpumps. For more information or to confirm eligibility, call 888-921-5990. This rebate offer is available to all Vermont residential electric customers and may be subject to change without prior notice. This rebate may not be combined with any other Efficiency Vermont offer. Efficiency Vermont reserves the right to conduct field inspections to verify installations. Limitation of liability: Efficiency Vermont does not guarantee the performance of installed equipment expressly or implicitly. In accepting these financial incentives, the customer agrees that Efficiency Vermont holds the sole rights to any electric system capacity credits and/or environmental credits associated with the energy efficiency measures for which incentives have been received. These credits will be used for the benefit of Vermont ratepayers. Efficiency Vermont has no liability whatsoever concerning (1) the quality, safety, and/or installation of the pool pump, including its fitness for any purpose; (2) the estimated energy savings of the pump; or (3) the workmanship of the installation contractor. Efficiency Vermont makes no representation regarding manufacturers, dealers, contractors, or materials. Efficiency Vermont will not be responsible for any tax liability that may be imposed on the customer or contractor as a result of the payment of rebates.
