

2023 EFFICIENCY VERMONT AWARDS

BEST OF THE BEST

RESIDENTIAL NEW CONSTRUCTION

GENERAL AWARD INFORMATION

AWARD CATEGORIES

Do you have a project that went above and beyond standard energy efficiency practices? If so, we want to hear about it. All entries will be considered for Best of the Best in Residential New Construction, the Affordability Award, and the Healthy Home Award.

SCHEDULE

- **Entries are due by January 27, 2023.** There is no entry fee.
- Judging will be completed in February and winners will be notified by late February.
- Awards will be presented at the Better Buildings by Design 2023 conference, taking place April 5-6, 2023

ELIGIBILITY REQUIREMENTS

- Must be a single family detached or attached home (up to 4 units). If submitting an attached home, please specify which unit within the larger project is under consideration.
- Must have successfully completed the project with Efficiency Vermont between November 1, 2021 and October 31, 2022.
- All information and materials submitted with the application must be released and cleared for public reproduction.

SUBMISSION FORMAT

Email to Efficiency Vermont:

1. A fully completed entry form, including a detailed description of the project
2. Digital media (see details below)

DIGITAL MEDIA

Please include images highlighting key aspects of the project. Images may include photos, sketches, graphs, etc.

- **Up to 10 images allowed.** Photos must be high-resolution. Please include photo credit(s) with submission.

JUDGING CRITERIA

- Best of the Best: demonstration of a comprehensive approach to energy-efficient new construction.
- Affordability award: affordable construction costs and estimated energy costs.
- Healthy Home award: demonstration of a commitment to healthy home principles (examples can be found on the Healthy Home Checklist at <https://www.encyvermont.com/Media/Default/docs/printable-resources/GeneralInfoForHomes/healthy-homes-checklist-final.pdf>)
