

# Energy Pictionary

2+ Players  
Ages 8 and up

## Materials:

A whiteboard or paper

Markers or pens

## Directions:

Choose someone to draw first. (Having trouble? Choose the person whose birthday is next.)

Without saying it out loud, choose a word from the word list (or come up with another on your own).

Do your best to illustrate that word. Keep adding to your drawing (without writing or talking) until someone has guessed the word!

Whoever guesses right draws next!

## Word List:

- Sun
- Electricity
- Efficiency
- Conservation
- Lightbulb
