BUSINESS ENERGY LOAN DETAILS

- Borrow up to **\$50,000** for up to 10 years
- No collateral required
- May be used in conjunction with other financing

Eligibility:

- Any qualifying energy efficiency project that comes through Efficiency Vermont.
- Any organized entity physically located in Vermont, including for-profit businesses, non-profits, farms, municipalities, etc., and owners of rental housing.
- Certificate of Good Standing from Vermont Secretary of State may be required, where applicable, at a cost of \$25.

Please note: Project payback needs to be less than twice the length of the loan term.

With Vermont roots going back 75 years, EastRise Credit Union is a true local partner for our more than 160,000 members in Vermont, select counties in New Hampshire, and beyond. We go above and beyond to provide the financial tools and guidance that help our members and communities build stronger and more sustainable financial futures. From trusted digital banking and a relationship-first approach to affordable home ownership and green lending, EastRise is committed to doing better and raising the bar for everyone. Discover how our green loans can help turn your sustainable living goals into reality. Visit eastrise.com or call 800.400.8790 to learn more.
