

Efficiency Offerings

for Vermont Businesses and Municipalities

Lighting

Efficiency Vermont has ended point-of-sale rebates on LED fixtures and lamps effective January 1st, 2024.

However, lighting rebates are still available for businesses through the Efficiency Vermont Custom Lighting Program, and the Commercial Lighting Form:

<https://www.encyvermont.com/Media/Default/docs/rebates/forms/efficiency-vermont-commercial-lighting-rebate-form.pdf>

To find a listing of eligible lighting products, please visit:

HVAC

Energy Star smart thermostats: **up to \$100 back**

Heat pumps:

Air-to-water system: **\$1,000/ton back**

Ground Source (Geothermal) Heat Pumps: **Up to \$2,100/ton back**

Ductless heating & cooling system: **\$350 - \$450 discount** at participating locations

Ducted heating & cooling system: **\$1,000 - \$2,000 discount** at participating locations

Heat pump water heaters: up to **\$600 discount** at participating locations

High performance circulator pumps: up to **\$600 discount** at participating locations

VFDs (2 - 100hp): **\$150 - \$200/HP back**

Window air conditioners: **\$100 back** for select energy star models

Wood pellet boiler or furnace: **\$6,000/system back**

Wood pellet & cord wood stoves: **\$400 discount** at participating locations

Commercial Refrigeration

High efficiency evaporators: up to **\$1,500 off/unit** at time of purchase

Evaporator fan motor controls: **\$30 back per fan**

Efficient evaporator fan motors: up to **\$100 off** at time of purchase

High efficiency condensing units: up to **\$2,000 off/unit** at time of purchase

Interested in financing your improvements?

Low-interest financing is available to help you pay for energy-saving projects. Call us today at **888-921-5990**, or visit [encyvermont.com/financing](https://www.encyvermont.com/financing).

Commercial Kitchen Equipment

Pre-Rinse Spray Valve: **\$50 discount** at participating locations
 Ice Makers: **\$100 - \$500 discount** at participating locations
 Fryers: **\$750 discount** at participating locations
 Dishwashers: **\$500 - \$2,000 discount** at participating locations
 Refrigerators/Freezers: **\$300 - \$500 discount** at participating locations
 Hot Food Holding Cabinet: **\$200 - \$1,000 discount** at participating locations
 Steam Cooker: **\$1,750 discount** at participating locations
 Rack Oven: **\$2,500 discount** at participating locations
 Convection Oven: **\$750 discount** at participating locations
 Conveyor Oven: **\$1,000 discount/oven deck** at participating locations
 Combination Oven: **\$500 - \$2,000 discount** at participating locations
 Griddle: **\$400 discount** at participating locations

Appliances

Clothes dryers: **\$200-\$400**
 Dehumidifiers: **\$25-\$40**

Insulation & Air Sealing

Building Performance: **up to \$5,000** with a participating EEN contractor

Agricultural Equipment

Heat recovery units: **\$1,875 back**
 Plate coolers: **\$3,000 back**
 Ventilation*:
**The amounts below are increased incentives available for up to 15 fans. Regular incentives apply for additional fans.*
 Panel or circulation fans: up to **\$200 back**
 Fans with VFDs: up to **\$500 back**
 Variable frequency drives (VFDs): up to **\$300 back/fan horsepower**
 Exhaust or thru-the-wall fans: up to **\$275 back + \$50 bonus**
 Fans with VFDs: up to **\$600 back + \$50 bonus**
 Maple reverse osmosis systems: up to **\$3,250 back**
 Variable frequency drives (on milk vacuum pump): **\$1,125 back**
 Variable frequency drives (on maple sap vacuum pump): **\$300 back**
 Thermal Curtains: **\$0.50 back/sq ft**
 Controllers for Lighting, Heating, Venting: up to **\$0.10 back/sq ft**
 Pipe Insulation/Other Air Sealing: **\$2-\$3 back/ mmbtu saved back**
 Greenhouse Coverings: **Custom rebates**
 LEDs for Indoor Growing: **Custom rebates**
 Heating System Upgrades (In-ground or under-ground bench heating, wood pellet systems, heat pumps, geothermal heat pumps): **Custom rebates**

Don't see your product listed?

We offer custom incentives for many other projects, including incentives for new construction or rehabilitation services.
