

Rebates for Your Home

These offers are available as of June 3, 2025 and are subject to change.
Visit efficiencyvermont.com/rebates for the most up-to-date information.

Air Sealing and Insulation

Work with an EEN contractor: 75% off eligible project costs, up to \$4,000. Moderate income Vermonters get 75% off, up to \$9,500; low-income Vermonters get 90% off, up to \$9,500, while funding lasts.

Federal Tax Credit: 30% of cost

DIY: \$100 back for completing an eligible project, like weatherizing windows / doors, adding storm windows, or sealing air leaks in your attic and basement.

Need help paying for improvements?

Financing options start at 0% interest with no money down. Or pay for a weatherization project monthly on your utility bill (for participating electric and gas utilities).
