Eligibility & Exclusions

Rebate cannot be combined with any other Efficiency Vermont offer (including point of purchase discounts) and is subject to change without notice.

Rebate offer is available to commercial customers of Vermont electric utilities except Burlington Electric Department. Residential customers, including residential rental property owners, are not eligible for this offer. For information on rebates within the city of Burlington, contact efficiency@burlingtonelectric.com or visit www.burlingtonelectric.com/rebates.

Product must be purchased on or after the "effective date" of July 1, 2025, with rebate submissions occurring within 365 calendar days of the "purchase date".

Rebate is subject to change without notice. Rebates are available on a first-come, first-served basis and will expire when funds are exhausted.

In the event the rebate is discontinued or changed and if funding has not been exhausted, submissions will be honored at the higher amount if the qualifying product was purchased prior to the effective date of the change, and if installations and rebate submission occur within 30 calendar days of the change.

All equipment must be new, installed in Vermont, and listed on the Qualifying Products List (or meet Efficiency Vermont qualifying criteria) at the time of purchase. Used, rebuilt, or refurbished equipment is not eligible.

Payment will not exceed the purchase price, and excludes all other costs including shipping, sales tax, or disposal/ recycling expenses. Customer is responsible for any tax liability associated with rebate payment. Allow 60 calendar days for delivery of payment. Incomplete or missing information will delay processing.

IBM, Global Foundries, Omya, and Vermont electric utility companies are not eligible.
