

Dual Fuel/Hybrid Heat Pump Rooftop Unit Program

Commercial rebates for products purchased at a non-participating distributor

Efficiency Vermont (in partnership with your electric utility) and Burlington Electric Department provide rebates for qualifying hybrid heat pump rooftop units.

Customers are encouraged to purchase eligible products through participating distributors, where applicable rebates can be discounted directly from the product price.

Commercial customers who purchase product(s) listed below through non-participating distributors can request a rebate by following the steps at right.

Dual Fuel/Hybrid Heat Pump Rooftop Units

Steps to Getting Your Rebate:

- Review Eligibility & Exclusions below. This rebate offer cannot be combined with any other Efficiency Vermont offer, including instant rebates at participating distributors.
- ☐ Confirm that the products are eligible for rebates by visiting www.efficiencyvermont.com/rebates/list/heat-pump-rtus
- ☐ Purchase and install eligible product(s)
- ☐ Complete the Customer Information & Agreement and Payee sections on page 2 of this form. The installation address must be in Vermont.
- Submit completed rebate form with W9 and invoice (including product quantity, type, manufacturer, model / part number, purchase date, and vendor) to:

Eligibility & Exclusions

Rebate offer is available to commercial customers of Vermont electric utilities. Residential applications and new construction projects are not eligible. The rebate is only available for equipment purchased after January 1st, 2025.

Rebate cannot be combined with any other Efficiency Vermont offer (including point of purchase discounts) and is subject to change without notice. Product must be purchased on or after the "effective date" with rebate submissions occurring within 365 calendar days of the "purchase date". If the rebate changes or ends, it will be honored if you submit your rebate application within 30 calendar days of the change."

All equipment must be new, installed in Vermont, and listed on the Qualifying Products List (or meet Efficiency Vermont qualifying criteria) at the time of purchase. Used, rebuilt, or refurbished equipment is not eligible.

Payment will not exceed the purchase price, and excludes all other costs including shipping, sales tax, or disposal/recycling expenses (installation costs of HVAC and refrigeration equipment, and installation and freight costs of agricultural equipment are eligible). Customer is responsible for any tax liability associated with rebate payment. Allow 60 calendar days for delivery of payment. Incomplete or missing information will delay processing.

IBM, Global Foundries, Omya, and Vermont electric utility companies are not eligible.
