

Central Wood Pellet Furnaces and Boilers

Visit www.encyvermont.com/rebates for the current rebate amount.

Eligibility Requirements

- Qualifying equipment is eligible for an Efficiency Vermont rebate and a Small Scale Renewable Energy Incentive Program (SSREIP) incentive from the Department of Public Service’s Clean Energy Development Fund. Checks will be issued and mailed separately, with a portion going to the installer.
- Equipment must be installed by an Efficiency Excellence Network HVAC contractor. A list of participating contractors is available at www.encyvermont.com/CWPHS-contractors.
- Rebates are for new, residential high-efficiency wood pellet furnaces and boilers that are installed as primary central heating systems.
- Systems must be classified as indoor systems and installed inside a home in Vermont. For commercial installations, visit www.encyvermont.com/woodpellet.
- Systems must be wood pellet only.
- Systems must have at least 1 ton fuel-storage and automated on/off and fuel feed. Qualifying models can be found at www.erc-vt.org/AWHSEquipment.

Terms & Conditions

1. **REBATE:** This rebate offer is available to residential customers of Vermont electric utilities. Rebate offers are subject to change without notice, availability of funding and may not be combined with any other offers. Qualifying products may be listed on the qualified products list on the Efficiency Vermont website, or described within the rebate form itself, as applicable. When possible, Efficiency Vermont will post on its website changes to the product rebate list including changes to the rebate amounts with as much notice as possible prior to the change. If a product is removed from the products list or the rebate amount changes, Efficiency Vermont will honor the rebate (at the higher amount) provided that a rebate form with all required documentation is postmarked or received by Efficiency Vermont within 30 calendar days from the date of removal or change to the rebate amount.

Central Wood Pellet Furnaces & Boilers: Funding for the SSREIP is provided through the Vermont Clean Energy Development Fund, administered by the Renewable Energy Resource Center (RERC) and overseen by the Vermont Department of Public Service ("Department"). For more information, visit www.erc-vt.org. Checks issued by Efficiency Vermont will be made payable and mailed to the homeowner, unless otherwise indicated on Page 1. Checks issued by the Department will be made payable and mailed directly to installer, subject to the terms and conditions of the incentive (see www.erc-vt.org/AWHS-terms).
2. **PRODUCTS:** All products must be new and installed in a residential home in the State of Vermont; used or rebuilt equipment is not eligible for rebate. Products must meet the specification requirement listed on Efficiency Vermont’s products rebate list and be operational prior to submitting an application for rebate.
3. **LIMITATIONS:** This form cannot be used for any project involving more than 250 individual items subject to rebate. For information on such projects, please call Efficiency Vermont (or Burlington Electric Department for projects within the City of Burlington).
4. **PROOF OF PURCHASE:** Invoice(s) must include the quantity, size, type, manufacturer, model or part number, purchase date, and vendor of the efficient equipment. All sales transactions and installations are subject to verification and inspection. By signing this form, the customer consents to allow Efficiency Vermont (or, within the City of Burlington, Burlington Electric Department) 1.) to access the equipment for purposes of verification and inspection, and 2.) to disclose the customer’s information (including but not limited to the customer’s information included on this form and information on the invoice(s)) to the vendor and/or contractor who sold or installed the equipment to verify equipment purchase/installation and to collect additional information about the equipment and its installation.
5. **LIMITATION OF LIABILITY:** Performance of installed equipment is not guaranteed expressly or implicitly.
6. **ENDORSEMENT:** No particular manufacturers, products, or system designs are endorsed through this program.
7. **PAYMENT:** Allow 60 calendar days for delivery of payment. Incomplete or missing information will delay processing of rebate form and payment.
8. **MAXIMUM PAYMENT:** will not exceed 100% of the equipment purchase price. Customer is responsible for all other costs including shipping, installation, sales tax, disposal/recycling, and any tax liability associated with rebate payment.
9. **CAPACITY CREDITS/ENVIRONMENTAL CREDITS:** In accepting these financial incentives, the customer agrees that Efficiency Vermont (or, for customers within its service territory, Burlington Electric Department) holds the sole rights to any electric system capacity credits and environmental credits associated with the energy efficiency measures for which incentives have been received.
