Terms & Conditions

- 1. REBATE:** This rebate offer is available to customers of Vermont electric utilities. IBM, GlobalFoundries, Omya, and Vermont electric utility companies are not eligible for this rebate. Rebate offers are subject to change without notice, availability of funding and may not be combined with any other offers. Qualifying products may be listed on the qualified products list on the Efficiency Vermont website, or described within the rebate form itself, as applicable. When possible, Efficiency Vermont will post on its website changes to the product rebate list including changes to the rebate amounts with as much notice as possible prior to the change. If a product is removed from the products list or the rebate amount changes, Efficiency Vermont will honor the rebate (at the higher amount) provided that a rebate form with all required documentation is postmarked or received by Efficiency Vermont within 30 calendar days from the date of removal or change to the rebate amount.
- 2. PRODUCTS:** All products must be new and installed in a residential home in the State of Vermont; used or rebuilt equipment is not eligible for rebate. Products must meet the specification requirement listed on Efficiency Vermont's products rebate list and be operational prior to submitting an application for rebate.
- 3. LIMITATIONS:** This form cannot be used for any project involving more than 250 individual items subject to rebate. For information on such projects, please call Efficiency Vermont (or Burlington Electric Department for projects within the City of Burlington).
- 4. PROOF OF PURCHASE:** Invoice(s) must include the quantity, size, type, manufacturer, model or part number, purchase date, and vendor of the efficient equipment. All sales transactions and installations are subject to verification and inspection. By signing this form, the customer consents to allow Efficiency Vermont (or, within the City of Burlington, Burlington Electric Department) 1.) to access the equipment for purposes of verification and inspection, and 2.) to disclose the customer's information (including but not limited to the customer's information included on this form and information on the invoice(s)) to the vendor and/or contractor who sold or installed the equipment to verify equipment purchase/installation and to collect additional information about the equipment and its installation.
- 5. LIMITATION OF LIABILITY:** Performance of installed equipment is not guaranteed expressly or implicitly.
- 6. ENDORSEMENT:** No particular manufacturers, products, or system designs are endorsed through this program.
- 7. PAYMENT:** Allow 60 calendar days for delivery of payment. Incomplete or missing information will delay processing of rebate form and payment.
- 8. MAXIMUM PAYMENT:** will not exceed 100% of the equipment purchase price. Customer is responsible for all other costs including shipping, installation, sales tax, disposal/recycling, and any tax liability associated with rebate payment.
- 9. CAPACITY CREDITS/ENVIRONMENTAL CREDITS:** In accepting these financial incentives, the customer agrees that Efficiency Vermont (or, for customers within its service territory, Burlington Electric Department) holds the sole rights to any electric system capacity credits and environmental credits associated with the energy efficiency measures for which incentives have been received.
