Limited time offer. Offer is for purchases made on or after 1/1/2024 by residential customers of the Barton Village Electric Department, Enosburg Falls Electric Department, Hardwick Electric Department, Jacksonville Electric Company, Johnson Water & Light, Ludlow Electric Department, Lyndon Electric Department, Morrisville Water & Light Department, Northfield Electric Department, Orleans Electric Department, and Swanton Electric Department. DIY weatherization project supplies must be purchased before December 31, 2026 and coupon must be redeemed within a year of purchasing supplies. This coupon may be combined with Efficiency Vermont's DIY Weatherization rebate of \$100 for a total of \$200 back. Visit efficiencyvermont.com/rebates/list/diy-weatherization to claim the standard rebate and see eligible projects. Offer is subject to change without notice. Valid for purchases made on or after the Valid Date above. All products must be new and installed in Vermont. Efficiency Vermont reserves the right to conduct field inspections to verify installations. Rebate payment excludes shipping, sales tax, and disposal/recycling expenses. Customer is responsible for any tax liability associated with rebate payment. Allow up to 60 calendar days for delivery of rebate. Incomplete or missing information will delay processing and payment.
