

# Heat Pump Water Heater Qualifying Products (Sorted by Manufacturer)\*

Effective 4/1/2014; Updated 9/17/2020

\* Eligible for Efficiency Vermont's Instant Off Invoice Rebate. Rebate offer only available to electric utility customers in Vermont who do not currently have a natural gas water heater & customer information required at point of purchase.

\*\* The Northwest Energy Efficiency Alliance (NEEA), along with utilities, energy efficiency organizations, and market partners, developed the Advanced Water Heater Specification to advance higher performing heat pump water heaters. More information here: <https://neea.org/our-work/advanced-water-heating-specification>
