

Rebates for Your Business

These offers are available as of January 1, 2026 and are subject to change. Visit efficiencyvermont.com/rebates for the most up-to-date information.

Lighting

Lighting rebates are available for businesses through the Efficiency Vermont Custom Lighting Program, and the Commercial Lighting Form:

www.efficiencyvermont.com/Media/Default/docs/rebates/forms/efficiency-vermont-commercial-lighting-rebate-form.pdf

Find a listing of eligible lighting products here: <https://qualifiedproducts.efficiencyvermont.com>

Increased incentives are also available for the following two lighting offers:

TLED Lighting Offer: TLED replacements on pre-approved projects

Agricultural Lighting Offer: Upgrade of agricultural lighting on pre-approved projects

HVAC

ENERGY STAR smart thermostats: **up to \$100 back**

Heat pumps:

Air-to-water system: **\$1,000/ton back**

Ground Source (Geothermal) Heat Pumps: **Up to \$2,100/ton back**

Ductless heating & cooling system: **\$375 - \$475 discount** at participating locations

Ducted heating & cooling system: **\$1,200 - \$2,200 discount** at participating locations

Heat pump water heaters: up to **\$600 discount** at participating locations

High performance circulator pumps: up to **\$1,500 discount** at participating locations

VFDs (2 - 100hp): **\$150 - \$200/HP back**

Window air conditioners: **\$150 back** for select ENERGY STAR models

Wood pellet & cord wood stoves: **\$400 discount** at participating locations

Commercial Refrigeration

High efficiency evaporators: up to **\$1,500 off/unit** at time of purchase

Evaporator fan motor controls: **\$30 back per fan**

Efficient evaporator fan motors: up to **\$100 off** at time of purchase

High efficiency condensing units: up to **\$2,000 off/unit** at time of purchase

Interested in financing your improvements?

Low-interest financing is available to help you pay for energy-saving projects. Call us today at **888-921-5990**, or visit efficiencyvermont.com/financing.

Commercial Kitchen Equipment

Pre-Rinse Spray Valve: **\$50 discount** at participating locations
Ice Makers: **\$100 - \$500 discount** at participating locations
Fryers: **\$750 discount** at participating locations
Dishwashers: **\$500 - \$2,000 discount** at participating locations
Refrigerators/Freezers: **\$300 - \$500 discount** at participating locations
Hot Food Holding Cabinet: **\$200 - \$1,000 discount** at participating locations
Steam Cooker: **\$1,750 discount** at participating locations
Rack Oven: **\$2,500 discount** at participating locations
Convection Oven: **\$750 discount** at participating locations
Conveyor Oven: **\$1,000 discount/oven deck** at participating locations
Combination Oven: **\$500 - \$2,000 discount** at participating locations
Griddle: **\$400 discount** at participating locations

Appliances

Clothes dryers: **\$200-\$400**
Dehumidifiers: **\$25-\$40**

Insulation & Air Sealing

Building Performance: **up to \$10,000** with a participating EEN contractor

Agricultural Equipment

Heat recovery units: **\$1,875 back**
Plate coolers: **\$3,000 back**
Ventilation:
 Panel or circulation fans: up to **\$150 back**
 Fans with VFDs: **Custom rebates**
 Variable frequency drives (VFDs): up to **\$300 back/fan horsepower**
 Exhaust or thru-the-wall fans: up to **\$275 back**
 Fans with VFDs: up to **\$600 back**
Maple reverse osmosis systems: up to **\$3,250 back**
Variable frequency drives (on milk vacuum pump): **up to \$200/fan horsepower back**
Variable frequency drives (on maple sap vacuum pump): up to **\$200/fan horsepower back**
Thermal Curtains: **\$0.50 back/sq ft**
Controllers for Lighting, Heating, Venting: up to **\$0.10 back/sq ft**
Pipe Insulation/Other Air Sealing: **\$2-\$3 back/ mmbtu saved back**
Greenhouse Coverings: **Custom rebates**
LEDs for Indoor Growing: **Custom rebates**
Heating System Upgrades (In-ground or under-ground bench heating, wood pellet systems, heat pumps, geothermal heat pumps): **Custom rebates**

Don't see your product listed?

We offer custom incentives for many other projects, including incentives for new construction or rehabilitation services.
