

Enhanced Energy Efficiency Project Incentives from Efficiency Vermont

In partnership with Vermont's Regional Development Corporations

Efficiency Vermont, in partnership with Vermont's Regional Development Corporations, is offering enhanced financial incentives for qualified energy efficiency projects. If your business has been negatively impacted by Covid-19 or other market issues and you have energy efficiency projects that you needed to put on hold, Efficiency Vermont could pay up to 90% of project costs, up to \$40,000. These enhanced incentives are only available for projects that complete in 2021. Please complete the following application/questions and submit to info@efficiencyvermont.com. This offer is available on a first come, first served basis.

Application

1. Describe how your business has been negatively impacted by Covid 19 or other market issues (e.g., staff retention, supply chain delays, availability of capital funds, reduced business demand).
2. Describe the energy efficiency project for which you would like an enhanced incentive. (e.g., lighting upgrade, HVAC upgrade, refrigeration upgrade, controls upgrade, etc.)
3. Fill in the questions below relating to project readiness:
Have you identified a qualified contractor to complete the project? Yes No
If yes,
Can they complete the project before 12/31/2021? Yes No
Did they provide a quote for the project? (if yes, please attach the quote) Yes No
Do you have access to capital to cover at least 10% of project costs? Yes No

Have you applied for a business energy loan through VSECU to cover the capital costs? Yes No
If yes, was the loan approved? Yes No
4. Is there additional support that you need from Efficiency Vermont? Yes No
If yes, please describe:
